Discover the highlights of this 130-million-year-old natural playground, with slow waters and sandy cliffs. Your local tour guide will share insights on the towns as you venture through this region on the way to the Barossa and Adelaide Hills.

Whispering Wall

Its remarkable acoustics will have you buzzing all day. The huge concrete curve allows the sound to bounce. Your magical whispers at one end of the wall can be heard clearly 150m away at the other end. It's simply amazing.

Chateau Yaldara

A truly Barossan visitor experience showcasing estate grown and hand-crafted wines. Hermann Thumm founded Chateau Yaldara in 1947 after he migrated to Australia from Europe. The chateau was named 'Yaldara' after the local aboriginal word meaning 'sparkling'. The site chosen for the winery was on the banks of the North Para River at a flax mill dating back to 1867. You will have the rare chance to walk through Hermann Thumm's private collection of 250,000 bottles of wine with a private tasting area for exclusive VIP treatment.

Maggie Beer Farm Shop

Wander around the Farm Shop where Maggie's story began. This is the only place in Australia where you have the chance to see and try just about every Maggie Beer product. Take a look through the fondly named 'studio' where Maggie and Simon filmed The Cook and the Chef. This place is a taste sensation!
