DAY 1 - WELCOME TO THE MURRAY RIVER

Meet our driver at 7am at the Hilton Hotel in Adelaide's CBD. Board the bus ready to depart Adelaide by 7.30am. Please ensure that you have breakfast before meeting our driver. There will be a comfort stop on the journey to the Riverland.

Along the way, you will drive across the Blanchetown Bridge where you'll catch your first views of the mighty Murray River almost 2,400 km from its source in the Great Dividing Range.

After 3.5 hours driving, you are in the heart of the Riverland where you will meet your Murray River Safari guides in Paringa via the historic town of Renmark. After a welcome morning tea and briefing, we board the pontoon cruiser to start our safari, familiarising with river landscapes and wildlife including darters and cormorants, pelicans and spoonbills, and occasional koalas.

Arriving at your luxury houseboat, you share a delicious fresh lunch. After familiarising with your new home, and a short rest, walk-through red gum forests and woodlands on an ancient bend in the river, sharing stories of a culture that is 40,000 years or more.

Evening format (days 1 and 2) - options may include a cool foot dip in the river, a hot spa, a campfire, local beverage and tasting plate, before sitting down to dinner paired with local wines.

DAY TWO - OUTBACK LAKES TOUR

After breakfast we embark on a driving tour to the great ephemeral lake system on the outer floodplain where spectacular birdwatching can include thousands of ducks, black swans and their cygnets, Pied Stilts, Red-necked Avocets, Yellow-billed Spoonbills, migratory waders and rarer Blue-billed ducks. We may see Blue-bonnets and magnificent Red kangaroos and perhaps a spectacular white-winged fairywren as we drive across country between the lakes on rejuvenating station country.

Swamp harriers and Whistling Kites will be busy in this area and an occasional Wedge-tailed Eagle, or a White-bellied Sea Eagle may visit.

We return to the houseboat for lunch and a rest before our next adventure, canoeing through the billabongs and forest edges where you can encounter pelicans, darters, cormorants, spoonbills, and the spectacular Sacred kingfisher.

After a guided 2 hour canoe we return back to the houseboat for evening relaxation and dinner.

DAY THREE - RELAXING CRUISE, THEN DRIVE TO THE MURRAY MOUTH

After a leisurely breakfast on the houseboat and a morning cruise passed red-ochre cliffs, your guides prepare a packed lunch ready for your farewell to this part of the Murray River.

Ready for departure, we meet your tour guide for the afternoon drive which includes a river crossing on a ferry and meeting the Aboriginal custodians of Ngaut Ngaut Conservation Park who share stories of their culture through ancient carvings in spectacular limestone cliffs.

You'll be welcomed at your new river home, historic River's End Retreat in the "Little Scotland" precinct of Goolwa, your base for the next 2 nights.

Familiarise with your stately bedrooms and a wealth of river history in the reading rooms. Meet on the deck for a pre-dinner beverage overlooking spectacular views of Hindmarsh Island Bridge and the lower reaches of the Murray, before sitting down for dinner. Retreat to your comfortable beds after a day of many adventures.

DAY FOUR - CANOE THE COORONG

After breakfast you'll be driven onto Hindmarsh Island to start your guided Canoe the Coorong adventure, paddling across the Coorong to the Murray Mouth and learning about the early sealers, the Mulloway fishing industry, the historic decline in flow and the building of the barrages.

A short walk through the dunes to the roaring Southern Ocean provides a spectacular backdrop to the stories of Aboriginal culture and sustainable pipi harvesting by the Ngarrindjeri people. Your guides will share stories of native food plants and seasonal changes in the river's end, and prepare a special cooked local fish lunch in the dunes.

After lunch you'll canoe back to your minibus and return to River's End Retreat for hot showers and a siesta, before sitting down to a local banquet of Pipsis on the fire.

While you are on the beach - twist your feet in the ocean and catch a pipi.

Walk across the Goolwa barrage before morning tea, immersed in a history display that summarises the development of the Murray River system and reinforces your brief 5 day journey along the Murray.
